ALUMINUM TRUSS DOCKS

FEATURING DURABLE, RUGGED CONSTRUCTION THAT HOLDS UP TO HEAVY TRAFFIC, YET LIGHTWEIGHT ENOUGH FOR EASY REMOVAL AT THE END OF THE SEASON

SAFETY YOU CAN TRUST
The Truss dock design permits water to flow through the frame enhancing stability and safety.

DURABILITY YOU CAN COUNT ON
Designed with high activity waterways in mind, RGC docks stand up to the impacts of busy traffic and severe weather.

VERSATILITY TO SUIT ANY NEED
With a wide variety of sizes, easy adaptability and an array of accessories, RGC docks can be customized for any waterfront.

EASY TO INSTALL AND MAINTAIN
Simple to assemble and adjust with no special tools required. Decking and aluminum frame require no maintenance.

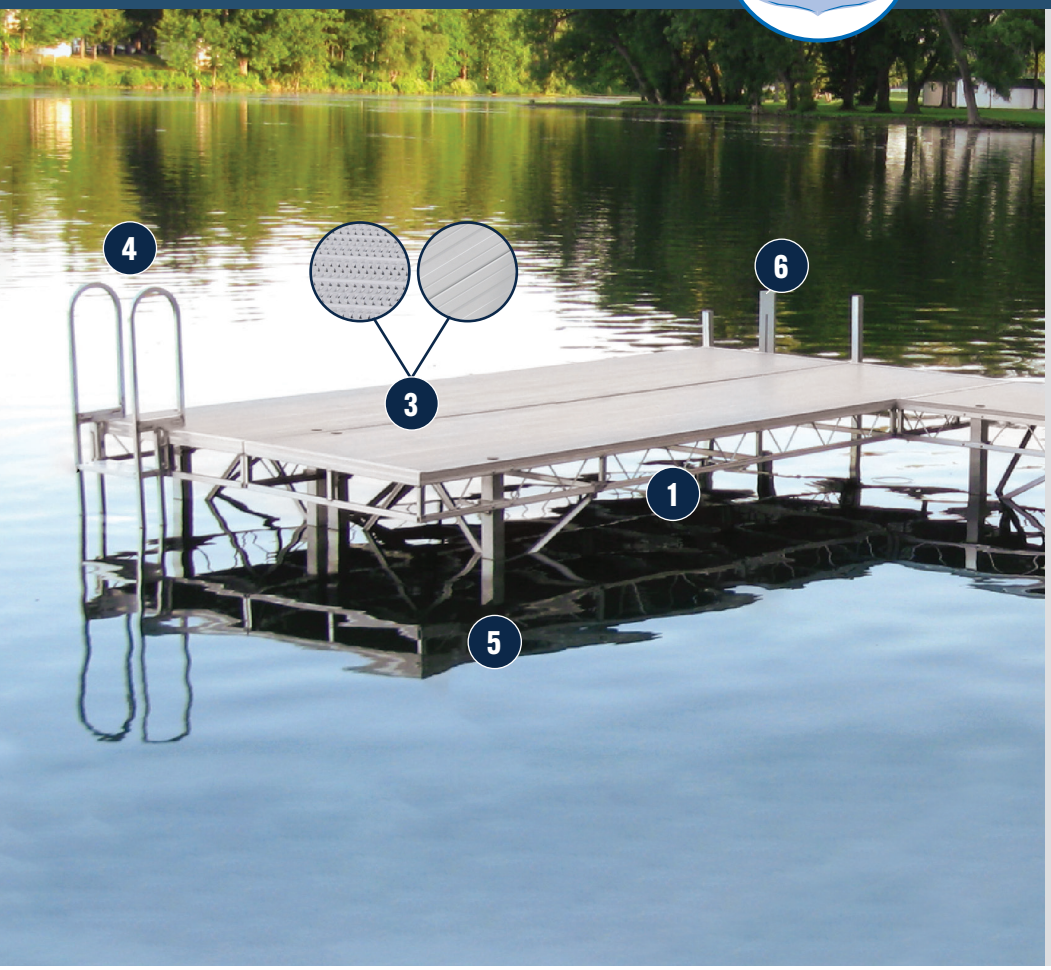
BUILT TO LAST



TRUSS DOCK FEATURES

Durable, rugged construction that can withstand heavy traffic yet lightweight enough for easy removal at the end of the season.

Easy to install and adjust—no special tools required.

Adaptable & adjustable configuration with quick mounting brackets that make adding to, or changing the shape of your dock a snap. Possible configurations:

1. The truss design allows waves to roll through adding stability to the durable construction.
2. A wide array of accessories offer endless possibilities to tailor your dock to any waterfront need.
3. Low maintenance decking in your choice of Deckwave® poly or powder coated aluminum.

2 CUSTOMIZE YOUR DOCK WITH OPTIONS/ACCESSORIES

LADDERS
4-step aluminum ladders are simple to attach and low maintenance.

SCREW STYLE LEGS
Easy-to-adjust screw legs mean quick, simple tweaks can be made without having to get into the water.

VERTICAL BUMPERS
30” vinyl bumpers protect your boat and dock and enable worry-free docking.

KAYAK RACK
Easy to install kayak rack offers a convenient place to store your kayaks.

RAMP
4’ wide dock ramps with matching decking provide a safe way to connect varying elevations.

ADJUSTABLE STAIRS
3, 4, 5, 6, 8 & 10-Step Adjustable Stairs with treads provide slip-resistant footing.

4’ ALUMINUM BENCH
Powder coated aluminum bench is durable and maintenance free.

DOCK FLOATS
Adapt any Truss Dock to be a floating dock by choosing optional foam filled floats.
